

Give Where You Live Agreement

We want to make our potential partnership the best possible, so we wanted to make you aware ahead of time of a few things we'll ask of you if you do end up being elected to be a Give Where You Live partner.

1. Attendance at a Sampling Saturday

Every Saturday, from 11:00 to 2:00, we invite local vendors to join us at the Co-op in order to meet shoppers, talk about what they have to offer and allow people to sample it. Someone from your organization should attend one of these events in order to let people know who you are, what you're about and why they should give to your group. Any Saturday is open for tabling, but, in order to maximize the impact and give people the most time to give, we recommend the first.

2. Participation in a check presentation

We want to get your name out there as much as possible, so we host a "Give Where You Live happy hour" the third Monday of every month from 5:00 to 7:00. Our hope is that we can invite shoppers and even non-shoppers to join us for some food and drinks and to get excited about your organization. Someone from your group is expected to attend this happy hour the month of your partnership in order to promote your organization and the month after your partnership to participate in a check presentation.

3. Social media and/or email mentions

We like to promote your cause on our social media accounts and in our eblast, so it would make the most fundraising sense if you did the same at least twice throughout your partner month. Don't forget to tag us!

I have read and agree to the above guidelines.
